

Rate Classes

Based on annual volumes, there are some rate classes XOOM Energy cannot service. The following are the rate classes not serviced by XOOM. Your rate class can be found on your bill.

California **NONCORE END-USE CUSTOMER:** Noncore End-Use Customers are typically large commercial, industrial, cogeneration, wholesale or electric generation customers who meet the usage requirements for service under a noncore rate schedule and who have executed a Natural Gas Service Agreement. Electric Generation, Enhanced Oil Recovery, Cogeneration, and Refinery customers with historical or potential annual usage exceeding 250,000 therms per year are permanently classified as Noncore End-Use customers.

Non-Core customers represent less than 1% of all utility customers
